

# LOTUS LEARNING

**LEARNING, BLOOMING, GROWING!**

**"Like a lotus flower,  
we too have the  
ability to rise from  
the mud, bloom out  
of the darkness,  
and radiate into  
the world!"**

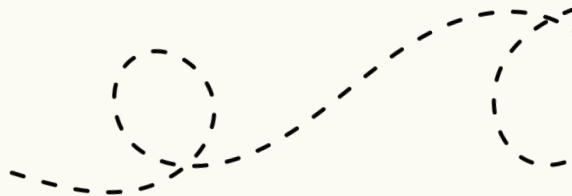

## How it all started...

The growth of a lotus flower starts in the dirtiest of waters. It treads through the most unfortunate of locations and somehow still manages to grow. Right when you think it holds no true beauty, it blooms into the most beautiful flower. Our educational journeys are much like this flower's growth cycle. Although it can seem dreadful and murky at times, learning can transform into the most beautiful experience imaginable!

Owner Tatyanna Solis, was introduced to this flower by someone she holds incredibly dear; her mother. They even have a matching tattoo which has since become the design inspiration for our logo!

This personal tie in combination with her own learning transformation, has created an epic educational philosophy that has transformed many kiddos' journey through education.

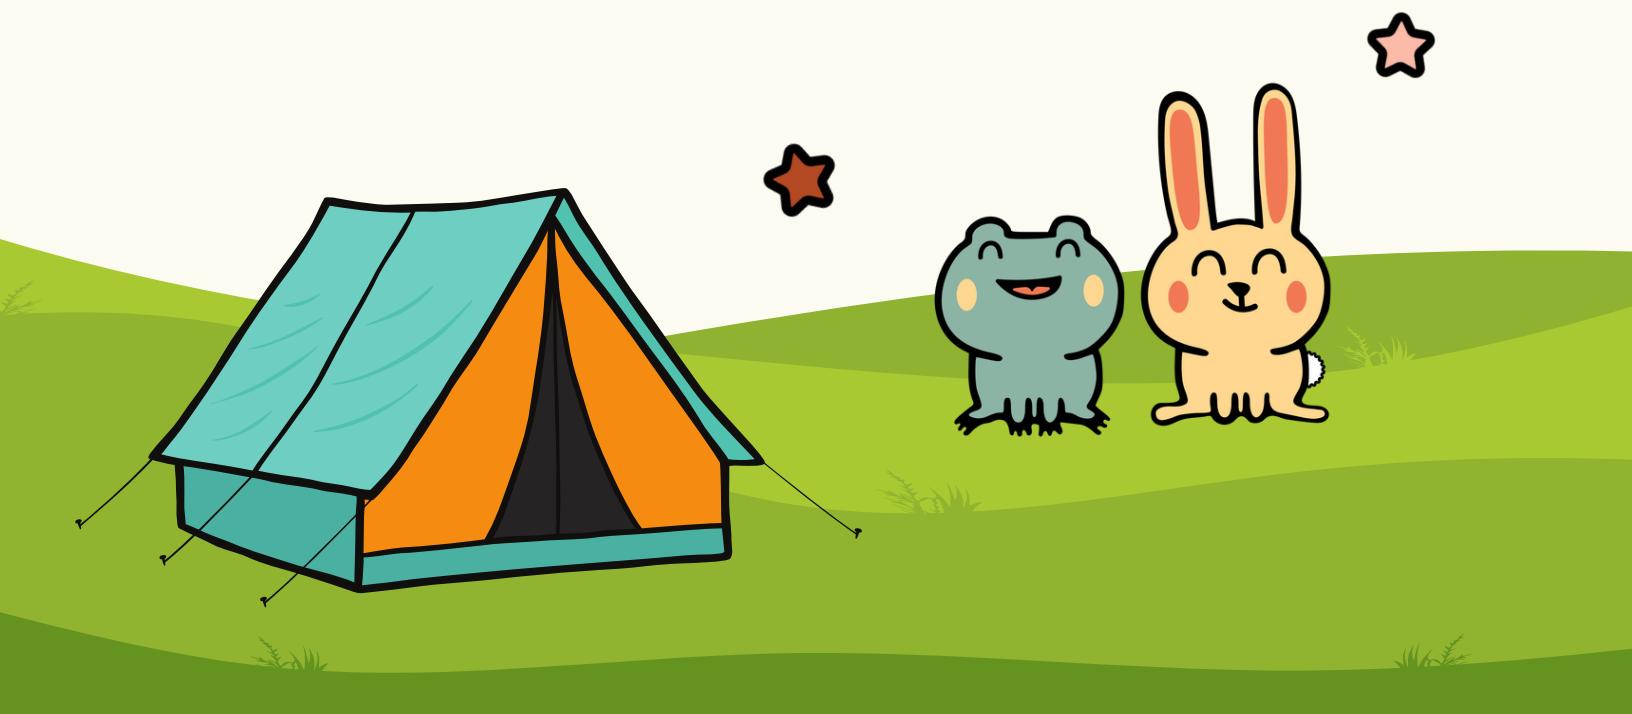

# Why Small Group Learning?

At Lotus Learning, small group learning is our secret ingredient for growing bright, confident minds! Picture this: a cozy group of just 2-5 kiddos, working together like a tiny team of explorers on a big adventure. By keeping our groups small, we create a learning space that's intimate and connected, where every student gets the spotlight they deserve.

Our sessions dive into the Big 3 core subjects—reading, writing, and math—ensuring your child builds a strong academic foundation. But we don't stop there! We also sprinkle in social-emotional learning, helping kids navigate their feelings, communicate effectively, and build meaningful friendships.

With Lotus Learning, it's not just about mastering math problems or crafting perfect sentences—it's about nurturing curious, confident kids who are ready to take on the world, one small group at a time.

# **Growing Minds, Not Just Grades**

Lotus Learning will be using nature-inspired names for its learning groups. These names represent stages of growth and development, creating a clear but flexible structure that focuses on the learner, not just the grade.

## **Seedlings (Kindergarten / 1st Grade)**

This group focuses on sparking curiosity and establishing routines. Children build foundational skills in reading, writing, and math while developing a love for learning. The environment is nurturing and encourages exploration.

## **Sprouts (2nd / 3rd Grade)**

Students grow independence and strengthen core academic skills. Confidence builds as they take on more complex tasks and begin to express themselves more clearly. Collaboration and problem-solving become key parts of the day.

## **Blossoms (4th / 5th Grade)**

At this stage, students develop deeper thinking skills and self-expression. Academic growth accelerates as they tackle more challenging concepts. They also learn to work more independently and take responsibility for their learning.

## **Pathfinders (6th / 7th Grade)**

Older students focus on autonomy and leadership. They engage in purposeful learning that connects to real-world experiences. This group prepares students for the transition to higher grades by fostering critical thinking and decision-making skills.

# SMALL GROUP SCHEDULE

8/17/26 - 5/28/27

## MONDAY

STEAM  
12:00-1:30PM

ANCIENT CIV.

With our support, you can navigate the homeschooling adventure with confidence and joy.

05

06

# Policies & Pricing

Tuition is a set rate and your investment will be a consistent schedule despite attendance. This is to ensure a quality experience for your kiddo. Payment shall be made no later than the due date listed on the invoice. Payment may be accepted through an invoice provided via email link. Invoice dates vary depending on the payment structure you choose. Once you receive the email, simply click the "Pay invoice" button and it will connect you to the payment option. Also, please review the "NOTES" tab for any additional information that may be added on to the invoice.

## Late Drop Off

If the student is dropped off later than the scheduled time, the learning session will still end at the regular scheduled time. Charge for original session time will apply.

## Late Pick Up

After 10 minutes of the session ending, \$1 per minute will be charged to the next invoice if the child is or picked up later than scheduled. Prior notification will be accepted on a case by case basis.

## Cancellation Policy

For small groups, missed sessions due to illness, vacation, or personal conflicts are not refundable, and no credits or make-ups are provided.

## Termination of Service

If a family needs to withdraw from a small group, written notice must be submitted before the start of the upcoming quarter. Notices received after a new quarter has begun will apply to the following quarter, and the current quarter remains financially committed. Tuition already paid is non-refundable, as staffing and group placements are finalized in advance.

# FREQUENTLY ASKED QUESTIONS

## Are you a Step Up provider?

Yes! We sure are!

## Are you a direct provider?

Yes we are! You can have your full tuition covered through the Step Up Scholarship!

## How small are your learning groups?

Our small group sessions consist of 2-5 students. This allows us to keep the learning environment intimate, so each child gets personalized attention and support.

## Do you offer virtual learning options?

Yes! We offer both in-person and virtual learning options to meet your family's needs. Our virtual sessions and check-ins are a great way to provide flexible learning from the comfort of home.

## How do you personalize learning for each child?

We assess each child's individual learning style, strengths, and areas for growth to create customized lessons. Whether it's through one-on-one sessions or small group work, we adapt to what works best for your child.

## What age groups do you work with?

We offer programs for kids of all ages! From our Little Learners for ages 2-4, to our academic assistance for older students, we tailor our programs to meet the unique needs of each child.

# FREQUENTLY ASKED QUESTIONS

continued

## What areas do you service?

While our physical classroom space is in Carrollwood, we travel from Hillsborough to Pasco County in Florida. We have travel and classroom instructors that can help!

## What makes Lotus Learning different?

At Lotus Learning, we focus on the whole child, not just academics. We blend personalized learning with social-emotional development in small, connected groups or one-on-one sessions, making learning both effective and enjoyable.

## Do you provide support for students with special needs?

Yes! We tailor our programs to support a variety of learning needs and have lots of experience with various exceptionalities. Our goal is to create an environment where every child feels supported and empowered to succeed.

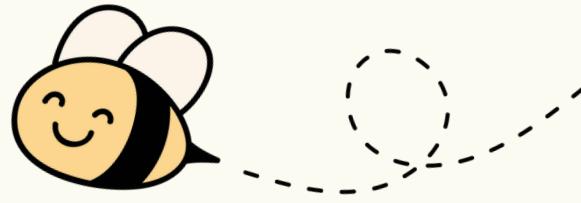

## How do I know which program is right for my child?

Our team will work with you to understand your child's needs and goals. Based on that, we'll recommend the best program, whether it's small group learning, one-on-one sessions, or homeschool consulting.

## How do I get started with Lotus Learning?

Getting started is simple! Just reach out to us through our contact page, and we'll guide you through the process to find the perfect program for your child.

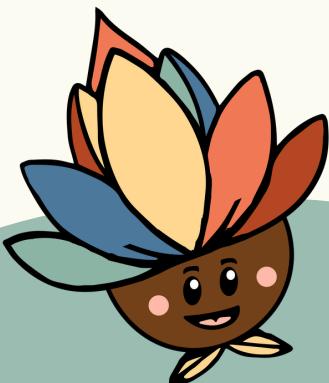

# What our friends are saying about us ...

“My daughter has been tutoring with Lotus Learning for about two years and we love them!”

“We have been with Lotus Learning for about 6 months and it's been a wonderful experience for not only me as a parent but my son loves going! My sons reading has improved immensely! Over the summer we had my daughter start going so that her transition from Kinder to 1st wouldn't be so rough. I highly recommend Lotus Learning!”
