

# LOTUS LEARNING

**2026 Summer Camp Program**

# Welcome to Lotus Learning Summer Camp!

At Lotus Learning, summer camp is designed to feel intentional, cozy, and exciting — not overwhelming.

Our program blends:

- Creative play
- Sensory exploration
- Mini STEM challenges
- Art & imagination
- Mindful movement

All within a small-group rotation system that allows every camper to experience all three learning rooms every day.

## CAMP DETAILS AT A GLANCE

- Days: Monday–Thursday
- Time: 11:00 AM – 2:00 PM
- Ages: 5–11 years
- Weekly Capacity: 14 campers
- Format: Indoor camp + occasional gazebo activities

# OUR 3 ROOM EXPERIENCE!

Throughout your kiddo's summer experience, they will rotate through three immersive nature themed rooms with different activities in each room.

## THINKING TRAIL (Earth Room)

- Main collaborative project space
- Calm, grounded, big-picture work
- One extended project each day

## LOTUS LAGOON (Water Room)

- Sensory play & flexible exploration
- Fine motor & hands-on discovery
- 30-minute micro-rotations

## EMBER NOOK (Fire Room)

- Quick creative challenges
- Focused, high-interest activities
- Smallest group for individualized support

Every camper rotates through ALL rooms daily.

# Two Part Summer Program

Each 4-week session has completely different themes so kiddos can enjoy one or both segments!

## **SESSION A (Weeks 1-4)**

6/8/26-7/3/26

# What our friends are saying about us ...

“My daughter has been tutoring with Lotus Learning for about two years and we love them!”  
-- client name

“We have been with Lotus Learning for about 6 months and it’s been a wonderful experience for not only me as a parent but my son loves going! My sons reading has improved immensely! Over the summer we had my daughter start going so that her transition from Kinder to 1st wouldn’t be so rough. I highly recommend Lotus Learning!”
